Future plans and strategy

How to make this thing fly!
A reminder

Vision
The United Kingdom will have a coherent approach to World Heritage Sites, which will be better known and understood, and supported through sustainable funding so that their Outstanding Universal Values can provide inspiration, learning and enjoyment for society.

Mission
Raise the profile and secure the future of UK World Heritage Sites by advocating for support and resources, promoting the Sites values, and facilitating networking, training and sharing of good practice.
Strategic Aim 1:
World Heritage UK aims to undertake effective **advocacy** at all levels for the joint benefit of the UK’s World Heritage properties and for the World Heritage Convention.

Strategic Aim 2:
World Heritage UK aims to facilitate and encourage **networking** between organisations and individuals that play a role in the management of the UK’s 29 WH Sites, be that at the Site, agency, NGO, government, corporate or individual level, for the collective benefit of the Sites’ management.

Strategic Aim 3:
World Heritage UK aims to **promote** the UK’s World Heritage Sites, in collaboration with key partner agencies, to a national and international market so as to allow more people to experience the Sites in ways that are appropriate to their different situations and pressures.
Convert that into a work programme

Why

◦ To have a clearer plan for the next three years so that we can plan workstreams and budgets
◦ To have clarity of purpose for the membership and for funding applications
◦ So that we all know what we are doing, why we are doing it and are able to speak as one voice.
Convert that into a work programme

Timetable

○ Short discussion here
○ Invite input by email
○ Discuss at Board meeting in March
○ Agree with membership at Members meeting in June (tbc)
Convert that into a work programme

Groups of 4 or 5, spend X minutes answering the following questions:

What the single most important thing that World Heritage UK should be doing over the next 3 years for:

- Advocacy
- Networking
- Promotion

Oh and who do you think might be a good President for WH:UK?
“If opportunity doesn't knock, build a door”

Milton Berle

“The best laid schemes o' mice an' men gang aft agley.”
Thank you

And on with the show
